Hello Lansing Skating Club from the Membership Committee!

The membership season for the Lansing Skating Club and U.S. Figure Skating is July 1st through June 30th. This means all current memberships expire on June 30th of this year. In order to ensure uninterrupted services from U.S. Figure Skating and the Club, we need to enter your membership in the U.S. Figure Skating database before July 1st. To accomplish this, we request that membership forms and fees be submitted by Monday, June 8th.

If you have questions about Club memberships, please contact me and we can certainly find the right membership level for you and your skater. Parents, if your skater is a member, we would like you to sign up as well. The Full Standard membership includes two people from the same household, so please take advantage of the 2 for 1 offer and help the Club increase our membership numbers....all we need is your information on the form.

A reminder to all competitive and testing skaters...you **must** have your U.S. Figure Skating membership renewed in order to compete or test, and this is especially true if you plan on attending Regionals this fall.

Please note that the membership year runs from July 1st through June 30th. There are no pro-rated memberships, so renewing now will give you the benefits of membership for the entire year!

One last important note....if you were an Introductory Member this past season, you may not choose that option again. Introductory membership is a one-time opportunity.

If you have any questions or know of someone who would like to join our Club, please give me a call or send me an email....I'm here to help. If you are new to the LSC, we welcome you! If you have any questions, ideas, or concerns, please feel free to contact any Board member.

Best wishes to everyone for another successful season!!
